Original Sheet No. 9

# LOCAL TELEPHONE EXCHANGE SERVICE

## SERVICE CHARGES

### A. GENERAL

1. The Service Charges covered herein are applicable in connection with the establishment of telephone service and subsequent changes and in service.
2. Service Charges
  - a. The Service Ordering Charge is the charge for work performed by the Telephone Company in connection with the receiving, recording and processing of customer requests for service ordered to be performed or provided at the same time, on the same system and on the same premises. The term "per order" means all work or service ordered at the same time for the same account.
  - b. The Line Connection Charges applied to each central office line (exchange line, trunks, etc.) for work required in the central office and outside plant, including reconnection of suspended (vacation) service and restoral of service after temporary disconnection of service for nonpayment.
3. Customer Premises
  - a. A premises is a building, portion of a building or buildings on the same continuous property occupied by the customer in the conduct of his business or occupied by the customer as a residence. All space for offices occupied by a customer on the same or separate floors of one building are considered as a single (or same) premises.
    - (1) Same continuous property shall mean an uninterrupted plot of land within the same block and occupied by one customer. Same block is defined as parcel of land enclosed but uncrossed by public thoroughfares. Railroad tracks, rivers and alleys are not considered as public thoroughfares.
    - (2) A building shall mean a structure on one foundation or two structures on separate foundations with a common wall or abutting walls with ready access from one structure to the other by means of doorways or permanent openings through the intervening wall or walls. Structures in the same or different block occupied by one customer and connected by passageways shall be considered as the same building if the passageway is actually used as a continuation of the space in the two buildings and not principally used as a walkway.
4. Additional Conditions
  - a. Service charges are in addition to all other applicable rates and charges associated with the service being provided.
  - b. The charges specified herein do not contemplate work being performed by the Company employees at a time when overtime wages apply due to the request of the customer or do they contemplate work begun being interrupted by the customer. If the customer requests overtime labor being performed or interrupts work once begun, a charge in addition to the specified charges will be made equal to the additional cost involved.
  - c. No service charges apply when the service is rendered inoperative by fire or other cause beyond the control of the customer and service is re-established at another location or premises. Service charges will apply for transferring a temporary installation to another location or premises respectively.
5. Restoral of Service
  - a. Service discontinued by the Telephone Company because of nonpayment when the service has not been disconnected is subject to the Restoral of Service Charge.
  - b. When service is rendered inoperative by fire or other causes beyond the control of the customer which render the premises unfit for occupancy, the same service will be reestablished at the same or different location, at the option of the customer, without Service or Installation Charge.
